CHROME

A close-up, low-angle shot of a classic car's front end. The focus is on the chrome-plated headlight housing, which contains two round headlights. Below the headlights is a chrome bumper and a large, ornate chrome hood ornament. To the left, a portion of the front grille with vertical bars is visible. The lighting highlights the reflective surfaces of the chrome parts against a darker background.

ETERNITY

A close-up photograph of the front right side of a white off-road vehicle, likely a Jeep. The focus is on the front wheel, which has a deep-tread tire and a silver multi-hole hubcap. The vehicle's body is white with some dark trim around the windows and doors. The background is blurred, showing a clear blue sky and some trees.
